FROM THE EAST

My Brothers,

Our Masonic journey to that perfect ashlar continues as we take on a new year. Together, we will continue to support our families, our community, and most of all, each other. It's that brotherly love and friendship that cements us and I'm honored to serve you as master of our great lodge. We will continue our lodge traditions, be open to embracing new ideas or share ideas to inspire positive changes, expand our community outreach, collaborate with district lodges, have a presence with our youth chapters, and strengthen our masonic ritual work and education.

There's no denying the participation, dedication, enthusiasm, and hard labors that you've all contributed over the years, and it's you who make a difference in keeping our lodge active. I'm looking forward to experiencing the challenges ahead and enjoying our successes with all of you.

Fraternally,

WM. Cristhian Astudillo

I SEE YOU'VE TRAVELED SOME

Wherever you may chance to be
Wherever you may roam,
Far away in foreign lands;
Or just at Home Sweet Home;
It always gives you pleasure,
it makes your heart strings hum
Just to hear the words of cheer,
"I see you've traveled some."

When you get a brother's greeting,
And he takes you by the hand,
It thrills you with a feeling
that you cannot understand,
You feel that bond of brotherhood
that tie that's sure to come
When you hear him say in a friendly way
"I see you've traveled some."

And if you are a stranger,
In strange lands all alone
If fate has left you stranded
Dead broke and far from home,
It thrills you--makes you numb,
When he says with a grip of fellowship,
"I see you've traveled some."

And when your final summons comes,
To take a last long trip,
Adorned with Lambskins Apron White
and gems of fellowship
The tiler at the Golden Gate,
With square and rule and plumb
Will size up your pin and say "Walk In",
"I see you've traveled some."
